

CANDIDATE GUIDANCE NOTES
FOR THE COMPLETION AND RETURN OF YOUR NOMINATION FORM

These notes have been written to assist with the completion of the nomination form. Please read them carefully before completing the form. If after reading the notes, you require any further information or guidance on completing the nomination form or drafting your election statement or would like to check that you have completed the form correctly before you formally submit your nomination, you are encouraged to contact the Returning Officer on telephone **01462 617125** or by email returning.officer@aea-elections.co.uk

DEADLINE FOR RETURN OF NOMINATION FORMS

Your completed nomination form must be received by the **Returning Officer, Association of Electoral Administrators, PO Box 288, Letchworth Garden City, SG6 9EP** no later than noon on **11 DECEMBER 2009**. Any nomination forms received after this time and date will be ruled invalid. Please be aware that there is no discretion within the election rules to extend the time for delivery of nomination forms for delays as a result of postal disputes or for any other reason. For this reason you are encouraged to return your completed nomination form as soon as possible. If you are posting your form, you are encouraged to keep a photocopy.

You may return your nomination form either by post (address above), by fax **01462 617125**, or by e-mail to returning.officer@aea-elections.co.uk If posting the form, please ensure that you send the signed **original**. Please also ensure that the correct postage is applied to the envelope containing your returned nomination form, as insufficient postage may result in the document being held at the Royal Mail offices and in turn may prevent the nomination paper being received in time by the Returning Officer. If you are faxing the form, your signature and all other details must be both visible and clear. Photographs may not be faxed. You are encouraged to type or word process your election statement to avoid any doubt which may occur with handwritten statements. It would also be helpful if you are able to email your personal statement and photograph (see page 2 of the nomination form) to the Returning Officer at returning.officer@aea-elections.co.uk

The safe return of your form is the responsibility of you: - **the candidate**. We strongly recommend you check that the Returning Officer has received your nomination form, whether you post or fax it, by contacting the Returning Officer on Tel **01462 617125**, or by email to returning.officer@aea-elections.co.uk

 2. Not be prevented from being a member of the Council of Governors by paragraph 8 of Schedule 7 of the National Health Service Act 2006 or by any provision of the constitution of the Trust, copies of which are available at www.tewv.nhs.uk/FT--Membership/Constitution/

Election Statement – Preparation Instructions

- You are asked to provide an election statement, on either page 2 of the nomination form, a separate sheet of paper (typed statements are preferred), or emailed as a word attachment to returning.officer@aea-elections.co.uk clearly identifying to whom it relates.
- Your statement should describe why you think you should be elected. It will be reproduced and circulated to voters with the ballot paper.
- Your statement may be up to 250 words in length. Please state the total number of words used at the end of your election statement.
- In the interests of fairness, your statement will be reproduced exactly as it has been submitted. This means any grammatical or spelling errors will not be corrected. Please check it carefully before you submit it.

- It would help the Returning Officer if you could ensure that any handwriting is legible. The Returning Officer will not seek clarification of any illegible words and will make a best considered judgement of the same for reproduction in any documents sent to voters. For this reason, you are strongly recommended to send your election statement by email as a word document.
- The Returning Officer will take care to reproduce your election statement exactly as you submit it. However, inaccurate reproduction of your election statement will not invalidate the election process nor require the Returning Officer to reprint and recirculate statements.
- All candidates' details will be printed using a common typeface and type size font. Election statements will be produced in sentence case so the Returning Officer will also make a best considered judgement as to how to reproduce election statements that are submitted written in upper case.
- Tees, Esk and Wear Valleys NHS Foundation Trust and the Association of Electoral Administrators reserve the right to not to publish any statement if it is factually inaccurate or contains libelous or other material which may be considered inappropriate.
